

CONECTA CON FUNAX

OFFICIAL LAUNCH OF PYMAIS!

If you own an SME, register for free at www.pymais.com

In partnership with the **Municipal Government of Ciudad Juárez**, we presented our platform at an event with local media, marking a big step for Mexican SMEs looking to sell to major companies in Mexico and the U.S.

We appreciate the support of Municipal President **Cruz Pérez Cuéllar**, Councilor **Alejandro Acosta Aviña**, Director of Economic Development of Ciudad Juárez **Tania Maldonado**, President of the Funax Board of Directors **Ivonne Aguilera**, and **Omar Saucedo**, Microsoft Techspark Community Engagement Manager, for making this launch possible.

WE STARTED THE FOURTH PERIOD OF THE FAB LAB MOBILE MORNING ITINERANCY!

Thanks to **Aptiv and United Way Chihuahua** for their continuous trust in our project, as well as to the high school directors for opening their doors to bring this initiative to more young people. We are ready to expand our impact and connect with more students!

STUDENTS FROM FIVE HIGH SCHOOLS COMPLETED FAB LAB EDU!

Students from technical high schools 60, 79, and 93, as well as federal high schools 7 and 14, completed the 12 sessions of **Fab Lab Edu**, demonstrating enthusiasm, commitment, and creativity. Additionally, we welcomed state high school 3012 and technical high school 48.

This program is made possible thanks to the support of the **Municipal Government of Ciudad Juárez, FECTI, I2C, Fundación Rosario Campos de Fernández, and FECHAC.**

WE PARTICIPATED IN THE CIENCIARTEC FESTIVAL AT UACJ AND LA RODADORA!

We brought the **Funax spirit to more people**, convinced that expanding opportunities in Ciudad Juárez is key to strengthening **education in STEAM fields**. We appreciate the space to keep inspiring and working together.

We attended the **Social Service Fair at IADA-IIT**, where we shared with the university community the **mission** of Funax and the **opportunities** to get involved in our projects. Thank you, **UACJ**, for the space! We look forward to welcoming students who wish to join our organization soon.

ITZEL LOREDO
Social service provider at
Fab Lab Juárez

“I am very grateful to have been part of **this team**, which not only helped me develop professionally but also personally. **Fab Lab Juárez** is a world of innovation that I hope we can continue to preserve for future generations. ”
