

# CONECTA CON FUNAX

In collaboration with the **Instituto de Atención Especial a Niños**, we held a **rally to close their participation in Fab Lab Edu**, implemented by the **Fab Lab Móvil** team.

Thanks to **Colegio Juan Pablo II** and **Fechac** for making this possible!

## STRATEGIC ALLIANCE WITH THE MUNICIPALITY OF JUÁREZ TO STRENGTHEN PYMES

We signed a collaboration agreement with the **Municipality of Ciudad Juárez** for the benefit of **PYMES in Juárez**. We appreciate the trust and hope that this alliance will motivate more businesses to register on our platform and begin their acceleration and continuous improvement process.

## THANK YOU, EL PASO SCIENCE FESTIVAL!

We were present at the El Paso Science Festival, an event that celebrates **science, creativity and curiosity**. It was an honor to share what we do with the community. We took away inspiration and learnings to **continue collaborating and growing together**.

We were pleased to receive the talk **"The Mission of Empowering Youth"**, given by **Omar Bolado** from **Family Services of Greater Vancouver**.

Thank you for sharing your experience and motivating us to continue creating **spaces with impact for youth**.

We welcomed **the internship students** from the **Universidad Tecnológica de Paquimé**, who presented their **final projects** in **Virtual Environments and Digital Business Engineering**, inspiring us with their **creativity, vision and innovation**.

We also had an incredible week in our **"Spring Break Lab"** with children from our community, **exploring, creating and learning together**. Thank you all for sharing your talent and confidence!

We participated in the **Management 3.0 workshop** with **Norma Acevedo** from **Rodriguez Pardo & Assocs**, together with **Technology Hub**. A day full of **ideas** and **tools** to **lead with purpose**. Thank you, **Norma**, for inspiring us to keep growing!

We kicked off the **Paso del Norte Community Foundation's "Power-Purpose-Plan"** workshop, facilitated by **Andrea Tawney** of **ATawney Consulting**. An inspiring space that marks the beginning of a purposeful process.

**EVELYN**  
Beneficiary Fab Lab Movil

**"Fab Lab Móvil has motivated me to continue studying.** I would like to finish high school and then study graphic design, because I want to specialize in programming and design my own video game. **I think robotics has no gender**, and this space has shown me that we can all be part of it."
