

CONECTA CON FUNAX

THANK YOU, UNITED WAY CHIHUAHUA!

We attended the symbolic presentation of the 2025 Call for Project Support. We are grateful for the support given to our **Microsoft TEALS Program** project, which allows us to continue bringing **technology education** to more young people. Together, we continue to join forces for the well-being of **our community in education**.

FIRST WEBINAR ON PYMAIS!

Through our **PYMAIS** program, our partners at **The Earth Lab** hosted the **WEBINAR** “Sustainable Footprint: The Path to Lasting Corporate Sustainability.”

Sign up for free at **PYMAIS** to raise your company's profile and gain access to content like this. Registration link <https://pymais.com/register>

Technical Secondary School 75 and State Secondary School 3012 have successfully completed their 12 **Fab Lab Edu** sessions, a space where **learning is experienced** through **creativity, technology, and teamwork**.

We organized the “Design with Purpose” **Hackathon** with students from Technical Secondary School 48. During this **creative** workshop, they had the opportunity to develop **prototypes** using **digital manufacturing** tools, with the aim of creating meaningful and **valuable solutions for their community**.

Fab Lab Móvil is made possible thanks to the support of **United Way Chihuahua** with investment from **Aptiv** and the **U.S. Consulate General in Ciudad Juárez**.

FAB KIDS

5:15 p.m. - 7:15 p.m.

We were joined by students from Secundaria del Magisterio 8392, Federal 16, as well as beneficiaries of **Por la Juventud**, the **Chihuahua State Union of the Deaf**, and **Fundación Gazpro**. Thank you for being part of this 3D printing learning experience!

We appreciate the support of the **Municipal Government of Ciudad Juárez** and **FECTI** for making these visits possible.

Aaron Cortaza
Beneficiary of Fab Lab Edu

“**Fab Lab Edu** was a lot of fun and I learned a lot. I **learned about systems**, configurations, and how to create characters. What I liked most was **virtual reality**. It was also really fun to come here, I made **new friends**, and I **always wanted it to be Tuesday**.”
