

CONECTA CON FUNAX

THANK YOU, FUNDACIÓN GAZPRO, A. C.!

We won the \$50,000 pesos in the “Gazpro con Causa” competition in the **Art, Culture, and Sports category** of the **Fundación Gazpro, a. c.**

We also recognize **Desarrollo Juvenil del Norte, A.C.** and **CASA, (Centro de Asesoría y Promoción Juvenil, A.C.)**, for winning second and third place, respectively.

WELCOME, MAJOR RENARD JOHNSON!

We had the honor of welcoming **Major Renard Johnson** from El Paso, Texas, to our doors.

He saw firsthand how **Fab Lab Juárez** promotes **creativity, technology, and collaboration** on the border

We spoke with **Rubí Enríquez**, President of **DIF Juárez**, and **Jaime Enríquez** about a possible partnership collaboration.

We shared **ideas, proposals, and strategies** to **benefit children and adolescents.**

We concluded the **Fab Lab Móvil Summer Lab Camp** with students from secondary schools 07, 48, 93, 3042, and 3067, who developed key skills in **technology and design.**

This experience was made possible thanks to the support of **United Way Chihuahua, Aptiv, and the U.S. Consulate General in Ciudad Juárez.**

We formalized the collaboration agreement with the **Rosario Campos de Fernández Foundation**, which reaffirms its commitment to strengthening the **Fab Lab Edu** program.

This alliance will allow us to continue promoting educational and technological initiatives that benefit our community.

My experience at **Fab Lab Juárez** was very enriching. I **learned how to use machines** such as the **laser cutter, CNC, and 3D printer**, as well as improving my **3D design skills**. I am very grateful to my colleagues, who were always willing to help me and created a very pleasant working environment. Thank you!

Thank you to **Express Tres Fronteras** for joining our initiative with a donation in kind equivalent to \$23,500 pesos, benefiting the **Ciudad Juárez Food Bank, A.C.**

Every contribution counts toward bringing food and well-being to thousands of families in Juárez.
