

# CONECTA CON FUNAX

¡THANK YOU  
BRP MEXICO  
FOR YOUR  
DONATION OF  
\$50,000 MXN!

During the **Annual Donation Ceremony**, through your **Community Participation** program, you help us strengthen our **mission** to bring **technology** and **innovation** to the **border community**.  
We also recognize all the organizations that were honored for their social work.  
**Innovation comes to life when we come together!**

We kicked off the **ISO 9001:2015 training**, taught by **Omar Carmona**, co-founder of **Value Added Academy**.  
Thanks to the support of the **Municipal Government of Ciudad Juárez**. We congratulate the **25 companies** that received **scholarships** to participate in **PYMAIS**, taking a firm step toward professionalization and competitiveness.  
  
To be part of more initiatives like this, **register at: [www.PYMAIS.com](http://www.PYMAIS.com)**

**We kicked off the semester with enthusiasm at Colegio de Bachilleres through the Microsoft Teals program!**

The **Mobile Fab Lab** arrived loaded with innovation to transform learning, offering **students and authorities** practical and fun experiences such as **virtual reality, augmented reality, 3D pens, laser cutting and printing, robotics, and games** developed at **Fab Lab Juárez**.

We participated in the **RBA Group Supplier Meeting** in **Zapopan, Jalisco**, where we presented **PYMAIS** and connected with companies interested in innovating and growing, reaffirming our commitment to strengthening **Mexican SMEs**.

We kicked off the first week of the **12 sessions** of the **Fab Lab Edu** program. Through hands-on experiences in **STEAM** areas, public **high school students** in **Ciudad Juárez** are developing an interest in **technological learning**, preventing school dropouts.

This is possible thanks to the support of the **Municipal Government of Ciudad Juárez, FECHAC**, and the **Rosario Campos de Fernández Foundation**.

Thanks to **FECHAC's** invitation, **Fab Lab Móvil** participated in **Tech Week**, bringing **science, creativity, and innovation** to the community. This experience reaffirms our commitment to sharing knowledge, sparking curiosity, and continuing to create the future. We love connecting with more people **through technology!**

**Fab Lab Móvil** is made possible thanks to the support of **United Way Chihuahua, APTIV**, and the **U.S. Consulate General in Ciudad Juárez**.

**Carlos Luna**  
**Beneficiary of the Microsoft TEALS Program**  
"Microsoft TEALS has taught me how to **identify and correct errors** quickly. I had already decided to **study a technology degree**, but this experience gave me an **introduction to programming and reaffirmed my choice.**"
